In response to the office action mailed 06 November 2002, Applicant offers the following remarks. Applicant has added an independent claim not previously paid for and includes a credit card payment form in the amount of \$84.00 for this additional independent claim. If any additional fees are required in association with this response, the Director is hereby authorized to charge them to Deposit Account 50-1732, and consider this a petition therefor.

In the claims:

Please add new claim 21 as follows:

--21. A method of billing a subscriber, comprising:
accepting a contract with the subscriber to provide a networking transmission service having a first characteristic;
providing the subscriber with provided networking transmission service;
observing at the network that the provided networking transmission service to the subscriber has a second characteristic; and
billing the subscriber for the networking transmission service having the second characteristic rather than for the service having the first characteristic.--.
